

CHRONOLOGICALLY READING

The books of the Bible are not typically arranged in a chronological order of events. The reading plans provided here are intended to be a tool to help you read the entire Bible in the chronological order of the single Story of God's redemption. By no means are any of these suggested reading lists perfectly chronological, and I concede that some scholars debate the order of events; but nonetheless, it is my hope these lists are helpful.

Reading Book by Book

There is much overlap between the books of the Bible and many different suggestions as to the order, so these are but two suggested arrangements of many possibilities.
